## IMPORTANT INFORMATION FOR YOUR TRIP

This package travel has been organised by NEWTOURVIS, S.L.U. (Licence Certificate CIAN nº 29945-3) C.I.F B—83419721, with registered office at C/Alfredo Corrochano, 5 – 2ºB, 29006, Málaga.

These General Conditions are subject to the provisions of Law 21/1995, of 6 July, regarding Package Travel; of Law 7/1998, of 13 April, regarding General Contract Conditions; and of General Law 26/1984, of 19 July, for the Defence of Consumers and Users, and other valid legal provisions.

These General Conditions are to be signed by the contracting parties and incorporated in all Package Travel Contracts for any of the programmes (or derivatives) contained in this brochure and their fulfilment is obligatory for all signatory parties.

Current legislation requires the preparation of this Package Travel Contract which must be delivered to you duly completed. Please read the contract carefully before giving your consent.

### INCLUDED IN THE PRICE OF THE PACKAGE TRAVEL

**Return transport** of the type, characteristics and class stated in the contract or the documentation.

**The Accommodation** included in the programme, of the rating and type chosen.

**Rates and taxes for the establishments providing accommodation and indirect taxes (VAT)** where applicable.

**Technical Assistance during the trip**, when this service has been specifically included in the description of the programme contracted.

**All other services and extras specified in the programme** for the corresponding departure date or which are expressly stated in the contract. If the contract for a programme is made for after the expiry date of the brochure, then it is understood that the services contracted will be those included in the brochure valid for the departure date, independently of whether this includes any variation in routes, visits or other services.

Visits to cities are of a "panoramic" nature, with stops made at places considered to be of interest. The route taken may vary on the basis of the closure or restoration of sites and monuments, weather conditions and circumstances beyond the control of the organisation.

The price of the package travel has been calculated on the basis of the exchange rate, transport fares, fuel costs, and rates and taxes applicable at the date of publication for each of the programmes, and these are subject to revision if there is a variation in the price of any of the elements listed which may give rise to a revision of the final price of the trip, to either a higher or lower price, incorporating the exact amounts of the variations in the prices mentioned.

The consumer will be notified in writing, or by other appropriate means, of any alterations to the price and they may then cancel their trip with no cancellation penalty (if this would have applied) within three days of receiving the notification. Or they may accept the modification to the contract. If notification of acceptance is not received during the same three-day period, it will be understood that the consumer has chosen to terminate the contract.

### NOT INCLUDED IN THE PRICE OF THE PACKAGE TRAVEL

**Visas, Tourist City Taxes, Airport Taxes and/or arrival and departure taxes, vaccination certificates, "extras" (such as coffees, wines, liquors, mineral waters, special diets (independently of the diet contracted), washing and ironing of clothes, optional hotel services, etc....)** and in general, any other service not specified in the programme, in the contract or in the documentation delivered on signing the contract.

**Optional outings or visits** not originally contracted and which do not form part of the travel contract.

**Tips** in general.

**Porters** except where specified in the contract.

**NOTE:** The photographs used to illustrate the programmes and itineraries contained in this brochure depict situations which may or may not be repeated or match with the programme detailed.

### PASSPORTS, VISAS AND DOCUMENTATION

It is the passenger's obligation to have in order and to carry all the personal and family documentation required according to the laws of the country or countries to be visited.

Before departing on the trip, you must make sure you have complied with all the applicable rules and requirements in relation to visas so as to be able to enter the countries you will be visiting without incident.

You will be responsible for obtaining your own visas, passports, vaccination certificates, etc....

If an Authority rejects the issue of a visa or refuses entry to a country on individual grounds, the consumer will be responsible for any resulting costs and the conditions and rules established for the case of voluntary cancellation of services will apply.

Minors under 18 years of age must bring written permission from a parent or guardian.

The Retail Travel Agency must provide you with all of the relevant information.

### TRAVEL INSURANCE

The Retail Travel Agency will advise you about optional travel insurance which you may take out.

NEWTOURVIS recommends that you always travel with travel insurance cover.

### ACCOMMODATION

The quality and the content of the services provided by a hotel will be determined by the official tourism rating, where applicable, assigned by the competent authority for the country.

Current legislation only establishes that there are single and double rooms, allowing double rooms to be set up as triples using a third or foldaway bed, but always with the consent of the people occupying the room. This also applies in the case of double rooms set up for use by up to four people, when specified like this in the programme.

The hotel arrival and departure times are based on the first and last services which will be provided.

The general rule is that rooms may be occupied from approximately 1pm onwards and must be vacated before 12pm on the day of departure.

The accommodation service is provided on the understanding that the room is available on the relevant night, independently of whether the arrival time is later than the time foreseen, for whatever reason.

When the arrival time at the hotel is later than 12pm, the first service provided by the hotel, if it is included in the contract, will be the evening meal. For arrivals later than 7pm, the first service provided by the hotel will be accommodation.

It is usual for hotels to ask for your credit card details at check-in so that they can charge the card for any extras when you leave. When you check out it is important to verify that the amount billed is correct and, if there has been no charge, that the copy of your credit card held by the hotel is destroyed.

For independent stays when you are not accompanied by a guide and when you estimate that the arrival time at the hotel could be different to that generally stipulated, it is recommended that you always re-confirm your reservation.

If you wish to travel with animals, you must check with the agency to ensure that they will be admitted to the accommodation and if so, this must be stated in the travel contract.

On the tours specified in this brochure, the accommodation service will be provided in the establishments listed. **The right is reserved to substitute hotels of a similar category.**

### TRANSPORT

Transport companies allow one suitcase per person only, with a weight limit of 30kg for travel by coach/bus.

In the event that your luggage is lost or damaged, you must lodge a prompt and appropriate complaint to the transport company or service provider responsible.

We recommend that you take out insurance to cover the possibility of loss or damage to your luggage.

Some characteristics of coach tours may vary depending on how many people are taking the tour. In all cases and depending on the destination chosen, the design, structure and comfort of the tour may be based not on Spanish standards but rather on those of the country of destination.

### SPECIAL CONDITIONS FOR CHILDREN

We recommend that you consult the discount rates applicable for children at each destination. In any case and as a general rule, the discount will be applicable only when the child shares a room with two adults.

### CANCELLATION BY THE CONSUMER. TERMINATION AND CANCELLATION OF TRIP BECAUSE THE MINIMUM NUMBER OF TRAVELLERS HAS NOT BEEN REACHED

You may cancel the services contracted or requested at any time with the right to a refund of the amount paid, whether the full price or a deposit, but you must compensate the Agency for the following administration costs:

a) **Separate Services**, All administration costs, plus cancellation fees where applicable.

b) **Package Travel**, except where the cancellation is due to force majeure:

1. The administration costs plus the cancellation fees, where applicable.

2. A penalty consisting of 10% of the total cost of the trip if the cancellation occurs during a period of more than ten and less than fifteen days prior to the departure date of the trip, 25% for between 3 and 10 days prior, and 50% for the 48 hours prior to the departure date.

If the consumer does not arrive in time for the departure, then they will have no right to any refund of the amount paid, unless an agreement is reached between the parties to the contrary.

c) The company reserves the right to cancel the service if the minimum number of people required to operate is not reached at any time. The company will provide a full refund but the consumer will not be entitled to any compensation.

### OBLIGATION OF THE CONSUMER TO NOTIFY ANY BREACH OF CONTRACT

It is your obligation to communicate any breach of contract to the Organiser or your Retail Travel Agency or the service provider involved, in writing or in any other form giving a record of your complaint, and they are obliged to respond.

### VALIDITY

The programme/brochure will be valid for the period from April 01<sup>st</sup> 2014 to March 31<sup>st</sup> 2015
